

Town of Greater Napanee Council Highlights

Regular Meeting of Council for November 9, 2021

2021 - 2022 Warming Centre Update:

A committee of 18 people, including 1 member of Town staff, has been created to help bring a warming centre to the community. This committee will meet once a week until the warming centre has been open. The location of the warming centre will be at the Morningstar Mission (59 Water St W).

Take a Look at the [Agenda and Minutes](#) from the November 9, 2021 Regular Session of Council

What's Happening in Our Municipal Departments:

Request for Expressions of Interest (REOI) - Vendor of Record for Municipal Real Estate Transactions:

In July 2021, the KPMG report Review of Property Sales Process – Specific Properties recognized the value of the Real Estate Pilot Project and recommended that the Town should consider implementing the pilot program of using a real estate agent for disposition of Town properties. The Town will be utilizing the services of Rogers & Trainor Commercial Realty Inc. Brokerage under the conditions prescribed in the REOI document issued on September 22, 2021. Please see the [staff report](#) from the November 9, 2021 Council agenda for more information.

Telecommunications Towers:

Council directed staff to write a letter to Xplornet stating that the Town cannot accept Xplornet's current proposal regarding the location of the proposed 50m tall self-supporting telecommunications tower in Selby. Council does support the initiative to bring internet access and a telecommunications tower to the Selby area but wants to discuss alternative location options with Xplornet for the tower.

Council supported the proposal for installation of a 91.5 m tall guyed Rogers telecommunications tower located 50 m east of Fitchett Road.

For more information, please see the staff reports available on the November 9, 2021 [Council agenda](#).

Adoption of By-law to Appoint John Pinsent as the Town of Greater Napanee's CAO:

Council introduced [By-law 2021-0051](#) to Appoint John Pinsent as the Town of Greater Napanee's CAO. This by-law sets out the framework of delegated authority for the CAO, in coordination with all other established by-laws and policies of Council. The primary purpose of this by-law is to provide clear communication to Council, staff and the public about the expectations of the CAO and the CAO's role within the organization. The by-law will return to the November 23 meeting for adoption.

Share your input regarding transportation needs in Greater Napanee by completing our Transportation Survey via our community engagement platform, [Let's Talk Greater Napanee](#).

The survey is open until November 26.

If you require the survey in an alternative format, please contact [Annie Manion](#) at 343-302-5881.

Upcoming Projects:

The 2021 Parade of Lights will be held on Saturday, December 4 beginning at 5:30 p.m. All event information is available on the [Town's website](#).

Local businesses, community organizations and groups are encouraged to enter a float in this year's parade but submitting a [Parade of Lights Float Registration Form](#).

As per KFL&A Public Health protocols, masks/face coverings are required for this outdoor organized event. Physical distancing must be practiced whenever possible.

Next Regular Session of Council: Tuesday, November 23, 2021 This meeting will be live streamed via our [YouTube Channel](#)

The next municipal 2022 budget meeting is scheduled for Wednesday, November 17 from 10 am – 4 pm. This meeting will focus on the Capital and Operating budgets and will be live streamed via our [YouTube channel](#).

There are several ways that you can engage with Council, including:

- Letters addressed to Mayor and Council will be forwarded to a Council agenda, either for information or for action (**the deadline for inclusion is noon Wednesday the week before the meeting**).
- You can request to speak as a [deputation at a meeting](#).
- Participate in community surveys through our community engagement platform, [Let's Talk Greater Napanee](#). Feedback received through this platform will be provided to Council and included in staff reports and recommendations.
- You can always contact the [Clerk's department](#) if you would like more information about how to bring a comment of concern to Council or Town Staff.

MPAC announced this month that they will be mailing Property Assessment notices across Ontario the second half of November 2021. These notices will reflect:

- Property ownership changes
- Property classification changes
- Updated property values

Any questions about your Property Assessment Notices or for more information, please contact MPAC directly via [its website](#) or 1-866-296-6722.
