

# Town of Greater Napanee Council Highlights

Regular Meeting of Council for February 8, 2022

## Upcoming Community Engagement Opportunities

### Share Your Voice and Get Involved in 2022

There will be several major projects that Town staff will be engaging the public in over the course of 2022 as input into developing an inclusive, safe, healthy and viable community. The Town's community engagement platform, [Let's Talk Greater Napanee](#), will be the centralized source of information for public consultation opportunities.

To keep residents informed on upcoming public consultation opportunities, staff have developed an [engagement chart](#) which residents can refer to for upcoming dates, deadlines and engagement processes. This chart will be updated and communicated regularly as projects' engagement statuses change and new projects begin.

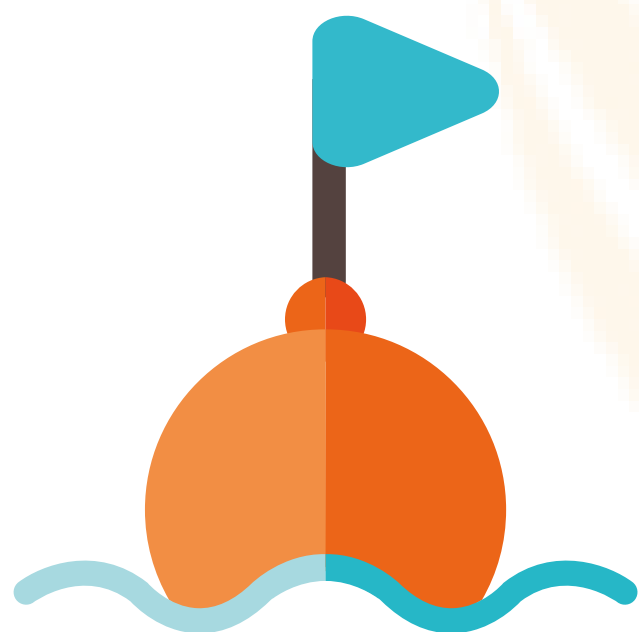

### Centre Street Boat Launch Engagement Project

Greater Napanee residents are encouraged to submit feedback and input regarding the development of the Centre St Boat Launch and the layout of its parking lot.
